We offer:

- ◆ An inclusive, rigorous learning environment that challenges and engages young people to grow.
- ◆ A varied and rich curriculum that focuses on the achievement of high standards in literacy and numeracy skills, throughout all classroom activities and in all areas of the learning program.
- ◆ Expansive natural playgrounds that promote curiosity and creative, active outside learning through play.
- ◆ A dedicated performing arts studio.
- ◆ Art, LOTE (Japanese) and Science hubs.
- ◆ Out of School Hours Care-afternoon sessions.
- ◆ Student leadership opportunities.
- ◆ Technology in every classroom.
- ◆ A comprehensive sport and physical education program and a school gymnasium.
- ◆ An innovative Science and Sustainability program supported by our incredible natural wetlands, Balbairoroo, that are a valued feature of our school.

Our natural surrounds and environment make us a very unique school where students learn first-hand about biodiversity and ecology. Our school and wider community is invested in learning about and celebrating our natural world and our Indigenous history and culture. We are committed to educating students to develop their knowledge and appreciation of the world around them.
